Are you working in the Aged Care Industry?

Upgrade your C-III Aged Care skills to C-IV in Aged Care

Get **30% loyalty discount** if you complete, or have completed, either C-III Aged Care, C-III Home and Community Care or C-III Disability with Campaspe College. These courses contain the pre-requisite requirements for C-IV Aged Care.

**Certificate IV in Aged Care – CHC40108**

The core units of this nationally accredited industry qualification develop aged care supervisor skills along with a knowledge of dementia and working within a legal and ethical framework.

**The C-IV Aged Care Elective Units are:**
- Plan for and provide services using a palliative approach
- Provide support and care relating to loss and grief
- Use targeted communication skills to build relationships
- Coordinate and monitor home based support
- Follow WHS safety procedures for direct care work
