VCAL – Hands on Learning

Philosophy:
The Victorian Certificate of Applied Learning (VCAL) is a hands-on option for students in Years 10 to 12.

VCAL provides practical work-related experience, as well as literacy and numeracy skills.

VCAL also provides the opportunity for students to build personal skills that are important for life and work.

VCAL is an accredited Victorian Secondary Certificate.

SIT20512 C-II in Community Services

What are the career opportunities?
The caravan industry offers regular work and an opportunity to gain a range of tourism/hospitality skills. You can work in a park, maybe as a supervisor or manager, and apply the skills.

Those working as a handyman or grounds-maintenance may move into horticulture.

For those who wish to travel it is a perfect way to tour Australia whilst working part-time in a Holiday Park or Resort along the way “LIVING THE DREAM”

ICA10111 [or] ICA20111 C-I or C-II in Information, Digital Media and Technology

C-I+C-II IDMT units are nationally recognised industry qualifications underpinning further study in the Digital Media and Technology field.

C-I in IDMT involves the following 6 units:

- Operate a personal computer
- Operate word processing applications
- Use, communicate & search securely on the internet
- Use digital devices
- Use digital literacy skills to access the internet
- Operate presentation packages

Both courses involve making a short 15 second movie: creating a script, storyboarding, shooting and editing.
Privacy Notice  Campaspe College of Adult Education (CCAE) respects information privacy. Some personal information must be provided to CCAE upon enrolment. The information we collect is kept in accordance with Information Privacy laws. All students enrolling in NATIONALLY RECOGNISED TRAINING PROGRAMS must complete a privacy notice upon enrolment. (See CCAE office staff for further details).

Access and Equity  CCAE believes all students and staff have the right to study and work in a positive environment that values diversity and protects all members of the community from discrimination or harassment. CCAE is committed to achieving access, equity and excellence in training and education.

Visual Perceptual Dyslexia Irlen Project

Many students have difficulty reading and writing because background colour affects how the brain interprets visual information.

Students are offered a FREE Irlen assessment by CCAE’s Speech Pathologist [Rebecca Amy] to see if their visual interpretation is a factor in their learning ability.

If it is a factor, we train students in measures to improve visual interpretation since the disability is rectifiable by the adoption and implementation of ameliorating practices.

Students who previously struggled can now experience successful learning outcomes, some for the first time in their lives.

Careers

- Personal management and Individual career plan
- Safe@Work assessment + online tests
- A Work Health & Safety audit
- Organisation of:
  - guest speaker for class
  - mock employment interviews
  - work experience involving log book completion
  - satisfactory employer assessment.

‘World of Difference’ CAMBODIA IMMERSION PROGRAM

The Campaspe College 2014 ‘World of Difference’ Cambodia Immersion Program provides students with the opportunity to engage in a Rotary supported humanitarian tour of Cambodia.

Whilst overseas, students donate time and energy to local schools, orphanages and remote villages by teaching English, providing aid and listening to stories of the people.

Students have returned with fresh perspectives on their own lives and have achieved goals they never thought possible before their active and generous participation in this program. Those involved in the CGEA program will participate in activities associated with the Cambodia Immersion 2014 program.
