Not all of us have positive experiences at school or work. Sometimes young people find it difficult to attend school or find suitable employment.

C-YES works with you to discover your goals and what you want to do with your life.

Sometimes, there are other things standing in your way. At times things at home can be messy. C-YES provides you with a personal Case Worker to help you with:

- Family/home life
- Mental Health & Wellbeing
- Alcohol & Drug Use
- Housing
- Financial Assistance

C-YES reflects your personal situation and circumstances, to build resilience, improve personal skills and wellbeing.

Mentoring

Sometimes it can be easier to talk to someone who is not your family. C-YES will provide you with a mentor of your choosing to have a chat with once a week.

Knowing what you want to be when you grow up can be scary. Your mentor will help you out to realise your goals and what you want to do in life.

But is doesn’t always have to be heavy. You can hang out with your mentor, have a coffee and talk about whatever is on your mind.

Your mentor will be someone from our community that you can trust and feel safe around.
