Certificate I in General Education for Adults is an accredited certificate for adults (16+) who have not completed their secondary education.

CGEA I is a flexible, customised, competency based curriculum where students are taught knowledge, skills and attitudes required to achieve specific standards and are assessed against competency criteria, not against each other. It is used with adults who:
- wish to improve literacy, numeracy and general education skills
- wish to achieve personal needs
- want to increase their participation within the community
- wish to access further education, training and employment options
- come from language backgrounds other than English

FSK10213 C-I in Skills for Vocational Pathways

Certificate I in Skills for Vocational Pathways is an accredited certificate involving 11 units of competency.

The program requires 10 hours placement in an industry setting and completion of workplace information, interaction tasks, including simple fractions, decimals and percentages for work.

It is used with adults who:
- wish to improve literacy, numeracy skills for work opportunities
- wish to increase their spoken and written English
- require basic skills to prepare for work readiness
- have disabilities but are seeking to be work ready
